Notification obligation

- Petcover EU Agentur GmbH must be fully and truthfully informed about the insured risk - before the contract is concluded and during the entire term of the contract. The things you need to tell us are detailed in your certificate of insurance and under "Your duty to disclose to us" in the insurance terms and conditions. Incomplete or incorrect information can result in a claim not being paid or affect the cover we provide.

Caring for your cat

- You must provide routine or preventative treatment normally recommended by a vet to prevent illness or injury.
- You must arrange for a vet to examine and treat your cat as soon as possible after it shows clinical sign(s) of an injury or illness.
- You must follow the advice and recommendations of the treating vet so as not to prolong or aggravate the illness or injury

In the event of a claim

- You agree that any vet has your permission to release any information we ask for about your cat. If you incur any charge for this, you must pay the charge.
- Claims must be reported to us as soon as possible and within the applicable deadlines.

When and how do I pay?

Payment of the insurance premium is due upon conclusion of the contract. You can pay the premium annually or monthly, either by bank transfer, SEPA direct debit or credit card. Please contact us for further information.

When does the cover start and end?

This insurance covers a twelve-month period and the start and end dates of cover are specified on your certificate of insurance. The insurance policy renews for another twelve months, unless we or you cancel the policy.

How do I cancel the contract?

You have a 14-day right of withdrawal period. Full withdrawal rights can be found in your insurance terms and conditions. After that period, you or we can cancel your policy by phone or in writing one month before the end of the insurance year.
